

TITANIUM SERIES

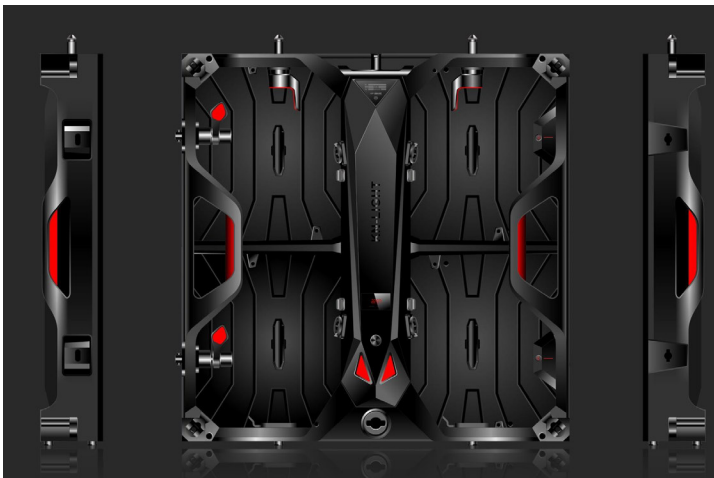

ROBUST LED RENTAL CABINET

The LED rental display that can stand up to the rigors of day-to-day abuse.

INDOOR P2.5 P3.9 P4.8

Vanguard's signature attention to detail, quality and design has resulted in its new stout Titanium cabinet, using top of the line components including Nova Star receiving cards, and Vanguard Chip On Board, lamp protection, full front access and aluminum protected corners, as standard features. The Titanium rental cabinet will stand up to the rigors of the rental business.
